13 v.

14 San Diego, Rich Illes, Scott  
15 Meland, John Swets, Lorenzo  
16 and Lori Ortiz, Does 1-100  
17 Defendants

CASE No. 07CV2272 WJMA

18 Plaintiff Opposition  
19 To Defendants  
20 Motion To Dismiss,  
21 And Points and Authorities  
22 Date: June 30, 2008  
23 Judge: Hon. Thomas J. Whelan  
24 Dept. 7

25 Plaintiff move to oppose and ask the court  
26 to deny defendants Motion to dismiss  
27 because it is untimely.  
28 According to local rules defendants should  
file and serve by mail at least 31 days before  
hearing. Defendants mailed me their  
Motion in an envelope stamped June 3, 2008  
since the hearing is on June 30, 2008 their motion

1 Should be filed and served no later than  
2 May 30, 2008 which is 31 day from hearing.  
3 Also my P O Box added more delay which  
4 left me with only a few days to oppose the  
5 motion, So I called Davina Bloom today  
6 to request an extension from her but  
7 I did not get it.

8 The plaintiff would like also to ask  
9 the court to deny this motion on its  
10 merits, therefore the court should  
11 look at the complaint as a whole in  
12 ruling on this motion and the plaintiff  
13 is also giving example of his claim  
14 in exhibit A. And even if plaintiff  
15 neglected to include jurisdictional  
16 allegations (or alleged jurisdictional grounds  
17 incorrectly) the motion should be denied,  
18 if other allegations in the complaint clearly  
19 indicate federal jurisdiction (e.g.  
20 a federal question). Cook v. Winfrey  
21 (7th Cir. 1998) 141 F3d 322, 324.

22 Imperfection in pleading style will not  
23 divest a federal court of jurisdiction  
24 where the complaint as a whole reveals  
25 a proper basis for jurisdiction.

26 Now also the plaintiff bears the burden of  
27 proving the court's jurisdiction and he  
28 should be given the opportunity to discover

1 facts supporting the jurisdictional allegations  
 2 in the complaint I asked Devona Bbar  
 3 and I ask the court for that opportunity.  
 4 It is an abuse of discretion to dismiss  
 5 for lack of jurisdiction or lack of  
 6 subject matter jurisdiction without  
 7 giving plaintiff reasonable opportunity  
 8 to conduct discovery for this purpose.  
 9 (Majd-Pour v. Georgiana Comm. Hosp. Inc.,  
 10 11<sup>th</sup> cir. 1984) 724 F2d 901, 903.

11 Lamb v. United States Dept of interior (9<sup>th</sup> cir  
 12 2003) 342 F3d 1080, 1093.

13 National resources Defence Council v. Pena  
 14 (DC cir. 1998) 147 F3d 1012, 1024.

15 Sureride DBA San Diego charter is in  
 16 deed in violation of title VII and also  
 17 subject to 15 employee minimum requirement.

18 Also Scott McLeod fired me for  
 19 retaliation of reporting his which  
 20 is it self an employment discrimination  
 21 (federal) dating back to civil war  
 22 era 1866.

23 Because of time expiring now  
 24 I will move briefly to deny all  
 25 defendants wrong accusations.

26 The amount of damages far exceeds  
 27 \$75 000. ~~My~~ My wages only are in hundreds  
 28 of thousands dollars + my commissioner

1 is also in hundred of thousands dollars  
2 + punitive damages.

3 I filed in state and federal court  
4 to meet statute of limitations and as  
5 a matter of ~~to~~ right and to preserve  
6 and protect my rights until I get  
7 an attorney. I already requested  
8 appointment of attorney immediately and  
9 was diligent. I will not sue for  
10 same claim and I reserve the right  
11 to amend and adjust my complaint as  
12 requested before. I will sue for  
13 different claims if I have right.

14 Also state may sustain demer and  
15 close my case and I have the right  
16 to sue in one court. Also defendant  
17 contributed to the complication  
18 of this case by dilatory tactics  
19 and by avoiding to be served by  
20 lying to the Marshal and Sheriff  
21 that the owner & employee not longer  
22 work at Sunride which is an  
23 obstruction of justice and  
24 delaying the process of this case  
25 which require terminating sanctions  
26 Therefore plaintiff request terminating  
27 sanctions,  
28

I object to defendants demand for  
 sanctions because it is improper  
 and also Davina Bloom lied in  
 her declaration about sanctions  
 when she called me we only talked  
 about Settlement and she offered  
 me \$1008<sup>00</sup> to settle which I  
 did not accept. I told her I will  
 settle to get back my job and back  
 pay + commission. and she said  
 because I sued the company I will not  
 return, It is also company policy, I told  
 her that it is up to judge and law  
 to reinstate me at my job, she disagreed  
 and told me if you do not settle I will  
 dismiss the case and I said I will oppose  
 it and let a judge decide.  
 She also lied that John Swats is a  
 past employee he is working for  
 Sure Ride and she is withholding  
 a lot of valuable info. from court.  
 I request sanctions against all attorneys  
 involved and law firm.

To: Rich Illes.

Dear Rich:

I've called and left you three messages and informed you that Scott has fired me. I have not heard from you that's why I am writing you this letter.

I have also called Al before you, because I was told that you <sup>were</sup> ~~were~~ out of town but he informed me that he was with you in Las Vegas, so I briefly told him that Scott has fired me and had been insulting me and also followed me to my car and was kicking it and trying to fight, he was also asking me to return the phone and I told him I want to talk to Rich.

Al expressed his sadness about the situation and told me that he was going to see you in 5 minutes and will inform you about what happen, it was Th. 2-24.

Even though we had three meeting with Scott and asked him to stop harrassing me he wouldn't listen to you; in fact he has increased his harrassment to me and vowed retaliate and get revenge because I reported him.

(1)

During these meeting I've explained to you that Scott has developped his hate against me since we worked at Clond 9 in Summer 02. He wouldn't put me on the bus schedual even though I asked him several times, he always said next week, next week... One week driver SKorheim and another driver who just got their driver licence (Class B + P. endors.) were on the bus sche dul and me who had my Bus driver licence since 87 is still waiting. Scott told that they told him that during the training I paid. He was refering to the day we were training at the parking lot of sports Arena, the trainer asked me to help SKorheim and the other driver with the cones since I already have my licence, he was going to lunch, after we finished I went and did my prayer. So, I told Scott it is wrong to discriminate against me because of my religion, he couldn't disagree with me that's when he finally put me on the bus schedual but this also led to other problems with him and other employees where I was harrassed all the time...

I end up by getting a job at San Diego in Dec 02 Al and, Caesar and the rest of the employees welcomed me with open arms, we all got along very well. I was extremely very happy and that helped me alot doing

my job with excellent performance. A lot of our customer called and expressed their happiness with my job performance and some of them even wrote that my performance was above and beyond expectation...

Even though I left Cloud 9, Scott kept on calling you and talking negative about me. When he came to San Diego, as soon as you let him have access to the schedule he started changing my assigned bus 46 to 57. I reported <sup>that</sup> to Rosa one morning and he told me take bus 46 that was originally assigned to you. When Scott came in the afternoon he called me and started yelling at me and telling me to bring the bus 46 for a switch, I was at Camp Pendleton when <sup>he</sup> called leaving to a second job, so I had to keep 46. (this is typical cloud 9 harassment)

Since Rosa wouldn't put up with his childish behaviour, he turned to John Swets and made good friendship with him and talked negative about me. First John used to call me Hey Eddie (prolonging my name) then he used to call me Eddie Hollywood, we used to get along very well. As soon as he started to hang out with Scott he started calling me Hey Terrorist, he also used Terrorism jokes and Aviation jokes (typical cloud 9 harassment)

One day I came to the office, Scott's wife was there with Scott, John and other drivers and I was introduced as here is the other TERRORIST and started their jokes, they also referred to Sam Attala as ~~the~~ a terrorist. Another day at the driver's room John came and started shouting at Attala Hey OUSAMA BEN LADIN Where are you going? Attala just grabbed his trip sheet and left towards his bus without answering him his face looked very sad. One day while we were doing a Shuttle customer called Danielle and complained that they don't know the bus destination so they were fighting to get on any bus that come for pick up, when I told this to John I said that's why I asked for a bus with working P.A. he answered you don't need a microphone just open your jacket and tell the passengers that you have bombs and they will behave, or just tell them I don't speak English, imitating my accent with a heavier Accent. . . . John has learned these cloud 9 harassment tactics first from Scott before he helped him how to use the computer for schedual. John was so weak that find himself very obliged to do anything Scott tells him in order to succeed at San Diego.

One Friday I turned on my phone around 2 PM, after I got out of Mosque and I found a message from John saying that he called around 12 pm. and I have 1 hr. to return his call or he will removed me from schedule. He knows him & Scott that on Fridays I go to Mosque between 12 pm & 2 pm and I always turn off my phone and schedule they are always given around 4 pm specially on Fridays because of Weekend so when I confronted him with these info. he hang up on me so I had to come to office, we called you and you came down and found him yelling at me, so the first thing you told him I don't like the way you talk to him like this. Again he got these instructions from Scott. You should also hear Scott when he was insulting me the day he fired me it would even upset you more, that day he also tried to get physical with me but I left and avoided fighting with him. Also Last Nov. at Convention Center we were changing shifts from doing a shuttle, Scott was inside the San Diego customer service van trying to find out the missing drivers before returning to yard so he was calling names at one time he called Nathan and Nathan replied I am here, Scott did not like the way Nathan

answered him so he jumped from the Van towards Nathan's face outside the Van and started yelling and shouting and insulting Nathan. Scott was sticking his head in Nathan's face, Scott was wearing San Diego drivers uniform so was Nathan in front of San Diego Van & logo. It did not look good to the employees of the shuttle customer specially when they learned that Scott was a manager. I was next to Nathan and I saw his bottom lip shivering moving up and down from anger and saying I was just answering you. I was amazed at the way Nathan controlled him self because he looked stronger than

Mike Tyson and choose not to fight with him. It's clear that you're trying to help Scott because his your friend but he's abusing your trust and friendship and causing some serious damage to San Diego Co. At Cloud 9 he was one of the major people who mistreated the drivers which led to a class action lawsuit where Cloud 9 was hit with a multimillion dollars judgement and had to file for Bankruptcy. . .

I informed some drivers from Cloud 9 what we were hiring drivers, they all replied that they would love to come to San Diego because it's a bigger co. has newer buses

Or brand new buses, but because Scott is there they prefer not to.

Scott has constantly harassed me and caused me some serious emotional distress and interfered with my job performance. I've <sup>been</sup> very patient with all of this and I respected your friendship with him but I strongly request from you this time to protect me from him and I would request <sup>you</sup> to assign me to work with American Holidays just like Forston is working with American Ring and also assign me to a Setra S417, like this Scott will not be able to change my schedule or my bus. You also know that American Holidays tour guides request <sup>me</sup> a lot, they even sent you a fax last season, I know their Itinerary I did it several times, their customer like me a lot, not only because I speak their language or know their culture but because they see me working hard all time, I also showed you one of their compliment card written in English and I have a lot written in French. I get a long with the tour guides and the customer, and also Pascal the owner of American H. is very pleased with that. It's also good for San Diego.

If you would like to discuss this further, my mailing address is: ~~PO~~ PO Box 6952

Finally thank you in advance  
for what ever consideration you  
may give this matter.
